

Funded by the European Union

YOU

Gain access to **6,500+ EU innovators** including **50+ biogas & waste to energy solutions**
Join a **global cleantech community**
Benefit from **LCBA Canada support** to achieve your **sustainability goals**

WHAT

Hydrogen production & hybrid H₂
Biogas production & purification

Value-added products

Anaerobic digestors

Biomass processing

Biomethane plants

Waste conversion

Bio-polymers

Power to gas

Bio-fertilizer

CCUS

WHO

WHY

Cost-free technical assistance

New revenue streams

Innovative environmental solutions

Carbon reduction and impact assessment

Global connections with cleantech entrepreneurs

Financing & funding advice

European Union endorsement
